SCARED OF RUSSIA?

~~SCARED OF RUSSIA?~~
NOT ANYMORE!

THE TYPICAL IMAGE OF RUSSIA IS ONE OF MATRYOSHKAS, BALALAIKAS AND DRUNKEN BEARS

Which makes it the last place on Earth to visit for a Hollywood star.

BUT WHAT IS RUSSIA IN REALITY?

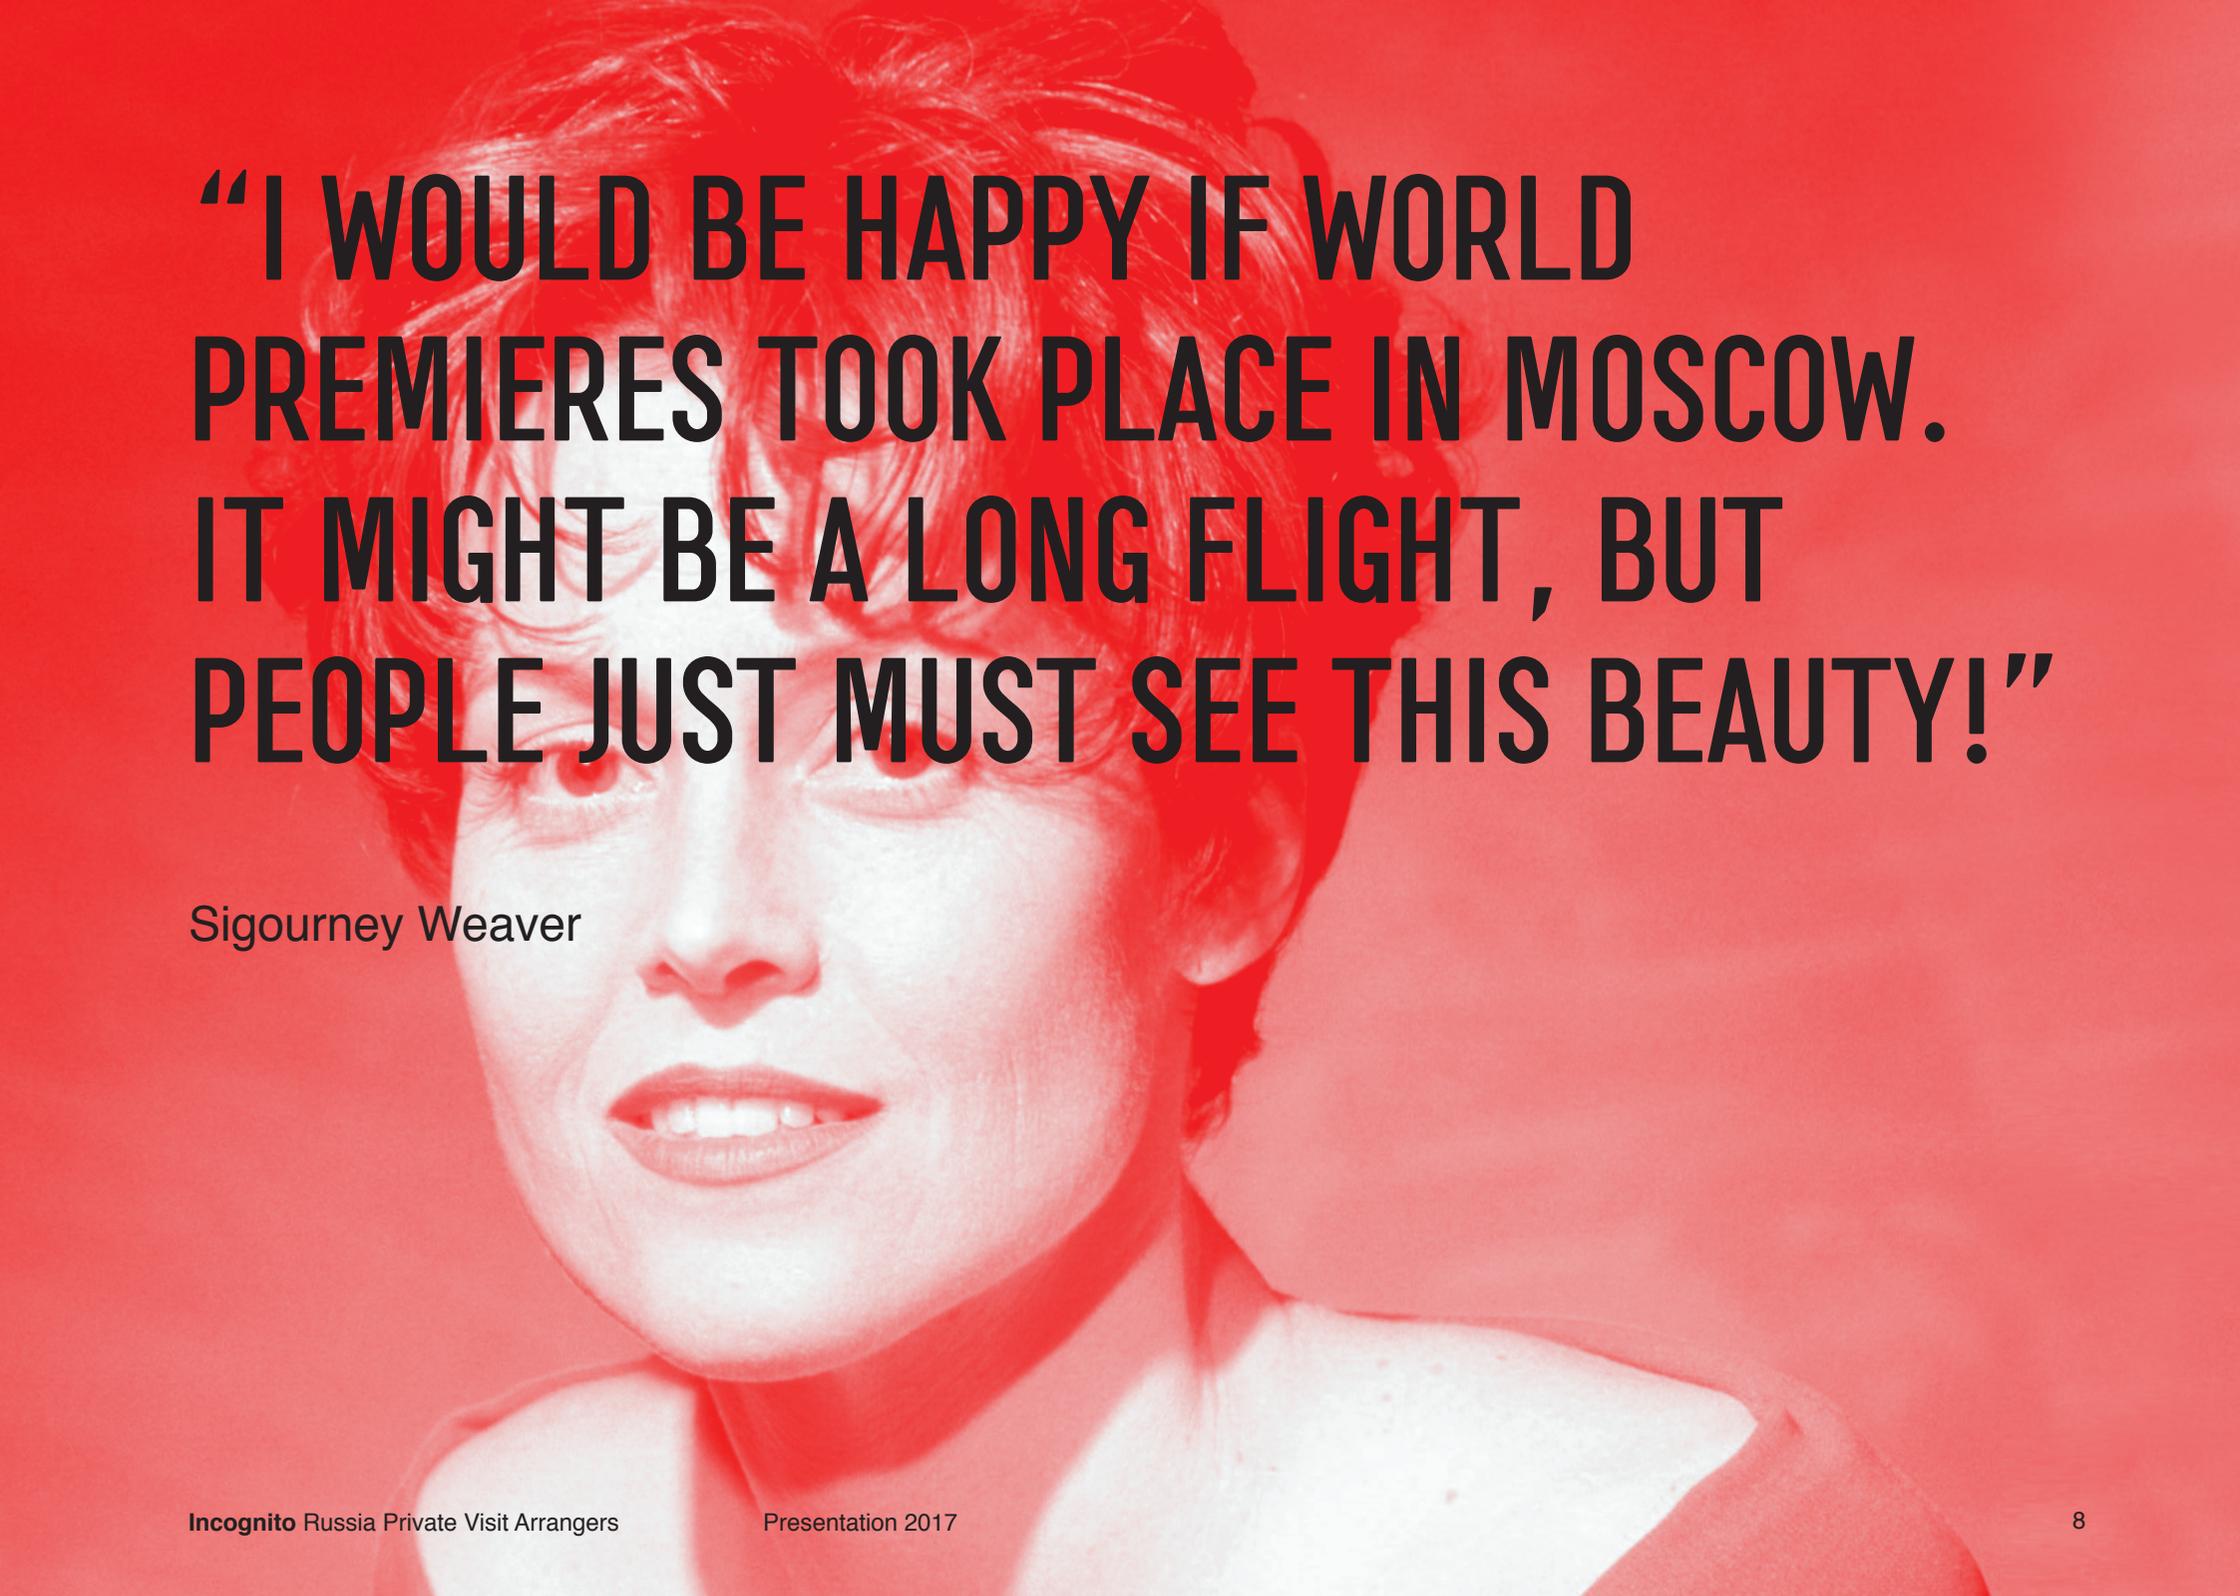

WE'RE HERE TO BREAK CLICHES, SUPERSTITIONS AND DELUSIONS OF THE WESTERN MIND

To show some evidence, we'll let some well-respected people put in a few words for our country.

A photograph of Tom Cruise smiling, overlaid with a semi-transparent red filter. The text is superimposed on the image.

“ANYWAY YOU LOOK, WE ALL GREW UP UNDER A GREAT INFLUENCE OF RUSSIAN CULTURE, RUSSIAN CINEMA, RUSSIAN LITERATURE. HERE, ALL OUR EXPECTATIONS HAVE BEEN FULFILLED, AT FULL SCALE.”

Tom Cruise

**“I WOULD BE HAPPY IF WORLD
PREMIERES TOOK PLACE IN MOSCOW.
IT MIGHT BE A LONG FLIGHT, BUT
PEOPLE JUST MUST SEE THIS BEAUTY!”**

Sigourney Weaver

“MY TROLL FOOT HAS BEEN TO MANY PLACES. IT LOVES IT HERE IN MOSCOW!”

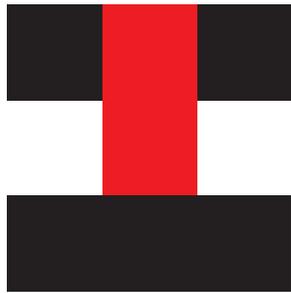

Danny DeVito

**HAVE YOU EVER WONDERED, HOW
IT'S COME SO THAT THESE REALLY
IMPORTANT PEOPLE HAVE FOUND
BEING IN RUSSIA A WONDERFUL AND
EXHILARATING EXPERIENCE?**

**HOW COME THEY HAD NO TROUBLE
FROM ANYBODY – BE IT TERRORISTS,
KGB AGENTS, PAPARAZZI OR RANDOM
BEARS?**

**WITH THEIR SCHEDULE PROPERLY
FOLLOWED WITH AMBIENCE INSPIRED
BY TRADITIONAL RUSSIAN HOSPITALITY
AND HEARTY AFFECTION?**

WE ARE THE ONES RESPONSIBLE FOR ALL THESE VISITS

We've been in charge of everything from security and logistics to press and public contacts. And yes, we have followed their every whim. And respected their privacy.

INCOGNITO IS AN INSPIRED WORKING GROUP OF PROFESSIONALS FOR ARRANGING VIP VISITS TO RUSSIA.

We have evolved as a company marketing and servicing NBC Universal and 20th Century Fox. We have build a solid network of reliable partners and offer classy service and discretion required for a real Incognito visit, be it private or public.

Private jets, limousines, bodyguards, press-agents, assistants, public relations handlers, access to the most exclusive venues, authorities support — we've got it all. We have already carried out official visits to Moscow and St.Petersburg for dozens of Hollywood top stars. Leaving the best impression one could expect.

Tom Cruise, Vin Diesel, Benicio Del Toro, Brendan Fraser, Dwayne 'Rock' Johnson, Tim Burton, Angelina Jolie, Uma Thurman, – just a few of the American stars we were working with.

**SO, HOW DO WE
MANAGE IT?**

Basics...

HANDLERS, ASSISTANTS, GUIDES AND OTHERS

From the very first meeting at the airport our guests are surrounded by courteous and knowledgeable staff. Fast to react, responsible and reliable, they take care of all the necessities as well as all the little cravings.

Benicio Del Toro even had an opportunity of taking a stroll through the city on his own to savour the breathtaking views of the Red Square and its surroundings. A special experience that he bears in his heart forever since.

SECURITY

Our security guards have not only an impressive background, they are also tactful and discreet in any situation. They excel at managing a crowd of fans and protecting a star from paparazzi. These professionals are used to keep in mind a plan B and half a dozen of other plans for every eventuality, so that our clients could have peace of mind at any given moment of their visit.

Once, a bodyguard had to put on Vin Diesel's jacket to distract a busload of paparazzi, while the star hero took it through a backdoor to disappear in his luxury limo unnoticed. Frankly speaking, it is a kind of a routine story.

SECURITY

TRANSPORTATION

We understand that very often the only time our busy guests can afford to sit back and relax is the time of the ride from one place to another. To make the most of this little break, we hire exclusively luxury vehicles and experienced drivers.

Tom Cruise had no extra time after the Russian *Valkyrie* premiere and had to reach the airport quicker than usual. Despite of Moscow traffic jams he had this mission completed, with our humble help.

ACCOMMODATIONS

Our guests stay, of course, in the very best hotels. Yet, we do our utmost to tailor the accommodations to suit any specific request. Tiny details can make a big difference, so we always go the extra mile to manage them accordingly.

Dwayne 'Rock' Johnson: "For my first time in Moscow, I am honoured, it's a privilege... All the love and support, it's been amazing... And for me, I come here, I meet everybody, I eat, and I work out, and I drink a little, yes. Thank you!"

And beyond...

A MOVIE PREMIERE, CONCERT, PRESS- CONFERENCE, PHOTO SESSION, BANQUET...

Whether you plan the extravaganza of the century with great media coverage or a small stylish secret party, we can handle it. With plenty of ideas and access to every venue, we always come up with something that makes special events really unique. Carefully orchestrated, yet bubbly and joyous, your event will be the one to remember.

During *Fast 5* promotion Vin Diesel had it such a great time here that he had postponed his departure twice and stayed for two extra days, before leaving in a bedazzled and somewhat dazed but surely happy state of mind.

“I’VE HEARD A LOT ABOUT RUSSIA. BUT HEARING AND COMING HERE IS NOT THE SAME. IT’S A PITY THAT IT’S NOT FOR TOO LONG.”

Benicio del Toro

**“IT’S MY FIRST TIME HERE, AND I HOPE
IT’S NOT THE LAST ONE.”**

Brendan Fraser

THERE IS HARDLY A COMPETITOR FOR US IN THE MARKET
